WHO WE ARE

Dhansa Group is a conglomerate with businesses in the Agrochemicals, Green Energy, and Biomass sectors. Founded in 1977, the India based group is a fast growing and accomplished provider of products across these industries, offering renowned brands. The brand has global footprints, with strong presence in Latin America, Middle East, Africa, Asia Pacific, South Asia and Eastern Europe regions.

The group is having 2 manufacturing units in India, The group is inspired relentlessly by a vision of "Globalizing and Diversifying Towards Higher Wealth Creation" and has registered strong growth across business segments and geographies in the endeavour to become a reputed name in the International arena.

CHAIRMAN'S MESSAGE

I thank you for expressing interest in Dhansa Group, which is more than a conglomerate of business for us. We at, Dhansa, are adding value to sectors across Industries such as "Agrochemicals, Green Energy and Biomass" at both national and global levels, our efforts are manifestations of a much deeper vision for us.

A vision, whose essence is captured elegantly by a statement - "To Globalize and Diversify Towards Higher Wealth Creation" A vision which is deeply ingrained in the culture at Dhansa and within the mindset of every member of its team. Thus, we are inspired to create value not just for our customers, but for all our stakeholders including our employees, partners and equally importantly, the larger environment we operate in.

To fulfill the above, we have acquired capable resources including robust infrastructure, a worldwide network and a strong workforce.

Thus, I invite you to experience an even deeper relationship with us. I am certain it will lead to a highly sustainable growth and carry you towards Higher Success.

Yours Truly
Arcchit Gupta
Chairman and Managing Director
Dhansa Group
